A time to flow in the unconditional love and acceptance of God

B.A.S.K. Our Wednesday evening meeting B.A.S.K. has quickly become the go-to meeting for the IGC family. Why not come and be part of a forum for us to come together and simply belong. On Wednesday evening we reflect on the previous Sunday's sermon and discuss both light and heavy-hearted issues in a safe environment. B.A.S.K. is a safe place for safe people to eat together, pray together. Also Prayer Fellowship 2:00 p.m. - 3:00 p.m. (Lower Hall).

GRACE NOTES ON PURPOSE

If you've been with us throughout January you'd have heard the teaching series, "Brilliant on Purpose". If you missed any of the talks, you can always listen to them online.

The "purpose" of the series was to help us lift our thinking from simply knowing who we are in Christ to experiencing and actually being who we are.

We are only at the beginning of this journey. There's much for us to embed, not least of which being a set of core values that we will value and use as our compass as we grow together as a spiritual community.

I hope you were liberated by the notion that God has a purpose for us not a plan. You're free from agonising over whether you've missed it or whether you're doing it right. Your right... More than that, you're the righteousness of God. So love and do what comes (super)naturally.

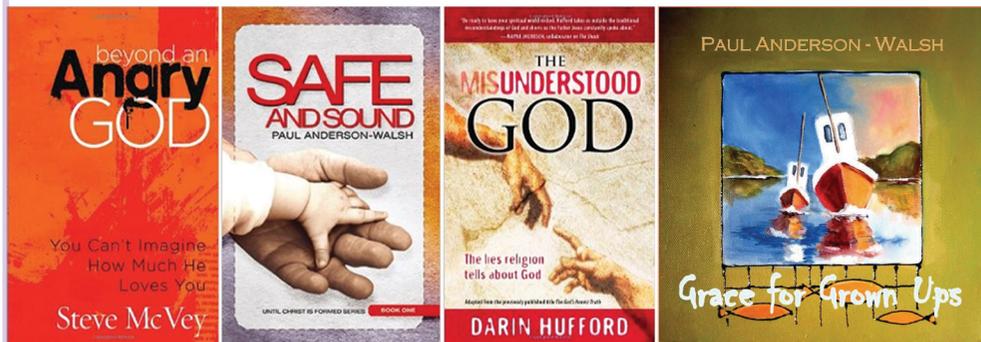

We've learned over the past months what that purpose is - we've reflected on our own individual purpose statements in the "I have come that you might have (insert your truth) and have it in abundance. So we know who we are, why we are, what we value and what our truths are, it's over to you to decide through your own mind-of-Christ to figure out how to bring it to life.

This month's teaching series, 'Living on Purpose' is a four-part character study on the lives of some of the heroes from Hebrews 11's 'Hall of Fame' each of the characters we'll survey "used their differences to make a difference.
