A time to flow in the unconditional love and acceptance of God

B.A.S.K. Our Wednesday evening meeting B.A.S.K. has quickly become the go-to meeting for the IGC family. Why not come and be part of a forum for us to come together and simply belong. On Wednesday evening we reflect on the previous Sunday's sermon and discuss both light and heavy-hearted issues in a safe environment. B.A.S.K. is a safe place for safe people to eat together, pray together. Also Ladies' Fellowship 2:00pm - 3:00pm (Margaret Wilson Room).

BUILDING REFRESH: GIFT DAY MARCH

The first phase of the Upper Hall is nearing completion. We hope to have the kitchen fully refurbished by the end of the month. We will then continue our work in the lower hall. So far this year we have invested around £40,000 into bringing the buildings up to the standard we want them. There is more work planned and that will require us to raise additional monies. Accordingly, in March we will also come to the church for a gift day to invite you to consider financially participating in the redevelopment programme.

LOVE BURNT OAK

We are delighted to be able to announce that the Love Burnt Oak CReSH has now been granted charitable status. What began as a good idea has gained such momentum over the last 12 months that it's gone from a nice concept to being integral to the success of the social justice efforts in Burnt Oak.

We hope that today's news will send a reassuring signal to the community that we are here to stay.

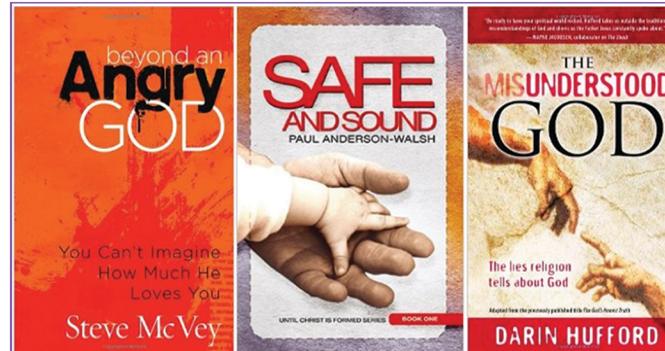

RHYTHMIC SOUNDSCAPES: Friday 17th April 2015 7:00 p.m.

Electronic/world, experimental drummer and tabla/percussionist extraordinaire Dan Bilbrough (Sounds of Agape, Wilderthorn) joins forces with legendary trumpet/flugelhorn player Raul D'Oliveira (Sting, Elton John, George Michael) to form 'Rhythmic Soundscapes', a special improvised collaboration of rhythms and sounds from around the world to explore creative expressions.
