

GRACE NOTES: *Shifting Atmospheres...*

Well September has rolled around and the autumn nights will soon be drawing in. New adventures await, new academic years begin. Our thoughts and prayers together with our practical support are with all our members who are at new beginnings this season.

Now that we have finished our teaching series, Now concerning Spirituals, it is time for us to move from simply professing our faith to possessing our faith, and of course as we know, it is not ours, it is His.

There is no doubt that we had some profoundly important conversations, speaking of which it seems that you have enjoyed the workshop style sessions and that is something we intend to continue as it is giving us a much better basis to connect more widely with each other. The goal now is to work to ensure that there is no disconnect between who we say we are (Inclusive Grace-Filled Community) and how people experience us. So, having talked it out, let's walk it out, but not walking in our own strength but rather in the power of The Spirit; as Spirit people, sharing our spiritual gifts with one question and one question only in mind: How Can I Benefit You?

Looking Ahead

You will have noticed, and will no doubt be delighted, that works have begun in the lower hall. It has taken us longer than we had hoped to get there, but what will emerge from the dust will we believe be an amazing space for us to do life together and to enable others to enhance their lives through practical support and encouragement. We are some way down the path of agreeing the terms of the relationship with an organisation called Hope Kitchen. The Idea, in addition to the Homework & Supper Club is to create a community kitchen; more on this as it develops. We would love for you to get involved in this initiative. In fact, there are going to be a whole raft of opportunities for you and I to be who we are and share what we have with each other and with the community. Apart from the various Callouts that you'll hear from the front on a Sunday please don't hesitate to speak to Michelle or Viv about things that you feel led to bring and contribute to enhance the life not only of the church but of the wider community. The relationship between IGC and Love Burnt Oak, and now, Hope Kitchen, mean that the opportunities are literally endless.

I am excited at the prospect of hosting our first Sozo conference, Shifting Atmospheres this month. It seems a fitting theme for the IGC climate changers. I'm keen to see what God will do with us over that weekend. Finally, I'm sure you will be interested to know that from this month I will be featuring in a new initiative on Premier Praise Radio <http://www.premierpraise.com> providing a series of devotionals for them each month. Having recorded the first two months' content, I think it will prove to be a good and useful resource and help to raise awareness of what we are seeking to do here in Burnt Oak.

Embrace the month and all that God has in store for you.

Paul

NEWS & UPDATE

Welcome to IGC (the International Gospel Church) we hope that you will feel at home whether you're just visiting or you're considering being with us more regularly. Our aim is that IGC will prove to be an inclusive graceful community where you will be enabled not simply to live gracefully, but to live fully by grace.

Meetings are held on Sundays at 10:30 a.m.

B.A.S.K.

A time to flow in the unconditional love and acceptance of God

Our Wednesday evening meeting B.A.S.K. has quickly become the go-to meeting for the IGC family. Why not come and be part of a forum for us to come together and simply belong. On Wednesday evening we reflect on the previous Sunday's sermon and discuss both light and heavy-hearted issues in a safe environment. B.A.S.K. is a safe place for safe people to eat together, pray together. Also on Wednesday is our Prayer Fellowship 2:00 p.m. - 3:00 p.m. (Lower Hall).
