I believe the year is kind of like a mask, where we hide away from God and don't show our true selves, the people that God created.

But during Christmas everyone changes, because it is the season of giving. Yet people often don't realise that it is the birthday of our lord and saviour and that is why we truly celebrate Christmas, to celebrate his time on Earth and to think about how blessed we are to live in his glory.

✕ Christmas ✕

Christmas is a time of inclusivity, love and joy; All in celebration of the time Jesus came to the world and changed every life, forever.
