## Grace Notes: Entertaining Angels

1. Let brotherly love continue. 2. Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares." Hebrews 13:1-4

Thought it was worth sharing this heartwarming email:

Hi Paul,

I just wanted to pop a (long-ish) note to you... I've recently been to London and attended your church which I found via Darin Hufford whose podcast, Free Believers, I listen to often.

Unfortunately you were in New York while I was in London, but I met Frank (I believe? I'm so bad with names!!) and he gave an amazing message about bondage and slavery with the law which is exactly what I needed to hear. I also had the amazing fortune of meeting Adonica, Sandra and Johnson (who I still don't believe is 50!). After they told me that you have your messages on YouTube, I have been listening to you nonstop and I am so in tune with your message and so thankful to have found you and your church, which, by the way, was the most welcoming community I've ever been in. I strolled up with my luggage as I'd just flown in from Arizona and no one even questioned me, they just wanted to get to know me. I've never felt love like that from immediate strangers. I'm so thankful for the community you are providing and I so wish I could spread your message out here where it is so needed!

I just wanted to thank you for all that you've done and for allowing us free access to your amazing message. I hope to meet you one day and tell you my story, but I am so thankful to have found you via Free Believers and then your YouTube channel.

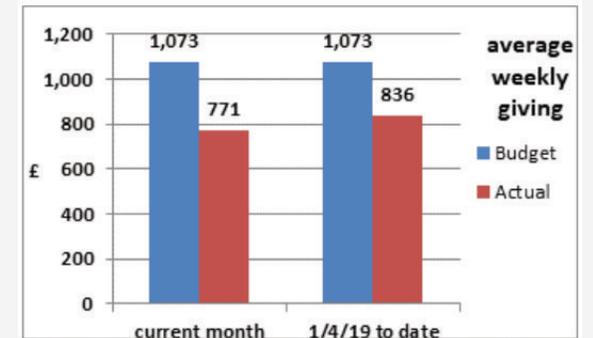

All my best,

**Shauna**

## Average Weekly Giving

Thank you for your continued financial support. As you can see from the graph we are behind budget. The gap between our fixed overheads and our income has widened in recent months. You don't need to be alarmed; the Lord provides. We would only ask you to be open and prayerful as to if, how, and when you too might want to participate in the ministry of giving and receiving.
